Huddly GDP

Government Discount Program

Huddly TAA-compliant cameras are available for purchase under your GSA, CIO-CS, SEWP, 2GIT, First Source II and other contracts. In support of all government entities, Huddly is offering up to 10% off MSRP for all government agencies - Federal, State, Regional, Local, Tribal and others.

Key Benefits to Huddly Cameras

- Huddly brings Artificial Intelligence into the meeting room with compact, wide-angle USB conference cameras that deliver a high-quality video conferencing experience, straight out of the box and on any platform.
- Time-to-Setup is reduced with power and data through a single USB 3.0 cable.
- Huddly cameras are flexible, easy-to-use and software-upgradable.
- Additionally, our whiteboard camera can turn any whiteboard into content that can be shared remotely. It also enhances pen markings and eliminates glare and shadow.
